Pranke family genealogical papers, 1957-1993.
33.0 cu. ft. (33 boxes).

BIOGRAPHICAL SKETCH

Richard Nicholas Pranke was born in 1911 in St. Paul, Minnesota, the son of Richard (1882-1948) and Margaret Tschida Pranke (1884-1967), and graduated from Cretin High School (St. Paul) in 1928. He attended the Saint Paul College of Law (it later became William Mitchell College of Law) while working at the St. Paul Police Department, and graduated in 1934. He joined the Federal Bureau of Investigation in 1934 and was assigned to offices in St. Paul (where he spent most of his career), Washington, D.C., Boston, Los Angeles, and New Orleans. After his retirement in 1961, he worked for the New York State Liquor Authority (1961-1969). Pranke died in St. Paul on August 22, 1994.

He married Marie Elizabeth Tschida in 1934.

SCOPE AND CONTENT

The collection contains correspondence, birth and death records, legal documents, maps, greeting cards, photographs, newspaper clippings, and motion picture film (8mm) compiled by Pranke to document his family and that of his wife, Marie Tschida Pranke (1914-1991). The compiled documentation extends from the 1700s and includes information on the Pranke and Tschida families as well as the Koenig, Mietzner, Berger, Wenzel, Gebhardt, Henkel, Mertz, Muschitz, Gisch, and Hollanitsch families. Richard and Marie Pranke's lives are recorded in great detail.

The genealogical material is in the order in which Pranke originally compiled the information. Each volume or file contains Pranke's correspondence, legal documents, maps, photographs, clippings, photocopies, and other material relating to the family or person named in that set.

Also included are Pranke's diaries (1934-1979) and autobiography (1911-1990) which detail his personal life as well as his service with the St. Paul Police Department (1931-1934) and the Federal Bureau of Investigation (1934-1961). Additional files containing correspondence, photographs, newspaper and magazine clippings regarding Pranke's FBI service are scattered throughout the collection.

Other subjects documented within the collection include the Frogtown neighborhood of St. Paul where Pranke grew up, St. Mary's Parish in Waverly, Minnesota, the Church of St. Agnes in St. Paul, the schools he and his wife attended (1924-1936), the houses he and his wife owned (1935-1987), their apartment (1988-1993), his automobiles (1926-1979), his genealogical expenses (1957-1990), and their Staffordshire commemorative plate collection (1934-1955).
