Close of the Year 1857.  
Three years ago this night I was at  
E.V. Townsend's - Cy Wakefield & Jerome  
Van Kirk were then - may I long  
remember that night -

Two years ago I was in Orwell  
Vt. One year ago I was at Eden  
Prairie - watched & kissed the old year  
out & New One in. Tonight  
I have passed a pleasant Eve at  
Mr Garland's, with the Universalist  
Union - It is now 10 minutes past  
12. Midnight. So the world I say

"Lun Leucisidness" is a detriment to any man. It is an injury to the State a damage to the body politic. Its loathsome effects pollute not only the possessor but poison all his neighbors. In fact the thing is a nuisance in law, morals & religion - and most noxious to humanity. A case in point.

I boarded at Neighbor Atkinson's for 9 weeks - 15 days including one day absent - he brought a bill for 17 days and on attempting an explanation got mad & sued. I tendered him the amt according to my memorandum together with costs to date & he accepted it - which is to blame.

See also recpt in my possession & also Walter Bacon & Leas & Leas. On the whole it was funny & forcible.
