HUMPHREY PREDICTS OVERWHELMING JOHNSON VICTORY

Senate Majority Whip Hubert H. Humphrey (D-Minn.)  
said tonight that President Johnson and the Democratic Party  
will win an overwhelming victory and "We will win with  
honor and dignity."

② "While others may appeal to passions and prejudices  
and to fear and bitterness," we of the  
Democratic Party call upon all Americans to pledge  
themselves to make our country a land of opportunity for  
our young, a home of security and dignity for our elderly,  
and a place of compassion and care for our afflicted."

Humphrey addressed a banquet at the Jefferson  
Hotel which concluded the National Convention of the Young  
Democratic Clubs of America.

① and sure have  
Humphrey said that the Democrats have an obligation  
to make the campaign this fall "a living tribute to our late  
beloved President John F. Kennedy. We must continue to inspire  
as he did, the young people of America and we must demonstrate  
to the American people that we Democrats are worthy of serving  
this Nation."
