

000405

June 5, 1972

TO: SENATOR
FROM: DAN AND BOB
RE: SPACE SHUTTLE EVENT -- JUNE 5, 1972

This statement is geared towards jobs and welfare. It's stress is similar to the Lockheed statement -- with praise not going to the company, but to the workers.

You will be taken around by Charlie Stone. Charlie is one of the guys that bolted Jess Unruh in 1968 and broke part of the California delegation for you. He works at North American Rockwell -- he is kind of the "House Democrat" at the middle management level.

Charlie is the President of the EDICT Foundation--this is the Community Conversion plan that you have been a dues paying member of, since 1968, and a co-sponsor of, in the Senate. You are one of the founding members.

Charlie Stone is the brains behind Senate Bill S 32--of which you are a co-sponsor--the National Science Policy and Priorities Act of 1972. This is a reconversion bill. It just came out of Ted Kennedy's subcommittee and is before the main Labor and Public Welfare Committee. Support is broad for this kind of a conversion plan. It will likely pass this year.

Many of the workers and technicians will be wearing EDICT buttons. These buttons symbolize the desire of many men for the government to help with a meaningful conversion

program. They will probably ask you to wear a button also. O.K. Go ahead.

Charlie has been helpful to us. He has given us a great deal of data. He fought the management so that you could be scheduled to have an event at the space shuttle (North American Rockwell executives were opposed). And, he has personally raised over \$1,000 for your campaign here in California.

Charlie said that the North American executives will likely try to shepherd you away from some of the workers, so just keep an eye out.

Also, Charlie will put a heavy stress in his introduction presentation not just on the Space Shuttle, but on what the Shuttle means to solving some of the domestic problems here at home.

SPACE SHUTTLE

I'M ^{pleased} ~~glad~~ TO BE HERE TO SEE THIS MOCK-UP OF THE SPACE SHUTTLE.

↳ ~~I'M PROUD TO HAVE PLAYED A ROLE IN PROTECTING YOUR~~

~~JOBS.~~

↳ I'VE SUPPORTED THE DEVELOPMENT OF THE SPACE SHUTTLE.

I BELIEVE IT IS IMPORTANT TO THE TECHNOLOGICAL ADVANCEMENT OF THE UNITED STATES.

BUT MORE IMPORTANTLY, I BELIEVE THAT MEN AND WOMEN SHOULD BE WORKING, RATHER THAN LOOKING FOR WORK.

↳ SENATOR McGOVERN IS AGAINST THE SPACE SHUTTLE. HE IS RECORDED AGAINST YOUR JOBS AND YOUR FAMILIES.

HUMPHREY OR McGOVERN -- IT'S A DIFFERENCE BETWEEN

000408

HAVING A JOB OR LOOKING FOR WORK.

HUMPHREY OR McGOVERN -- IT'S A DIFFERENCE BETWEEN
PAYING THE BILLS OR BORROWING FROM THE CREDIT COMPANIES.

HUMPHREY OR McGOVERN -- IT'S A DIFFERENCE BETWEEN
SPACE Shuttle
24,000 JOBS IN CALIFORNIA OR THE SAME NUMBER OF
PEOPLE ON THE UNEMPLOYMENT LINES.

AND, IT'S A DIFFERENCE BETWEEN SAVING 36,000
created by the shuttle
NONAEROSPACE JOBS OUTSIDE THESE PLANT GATES IN YOUR
COMMUNITIES.

I WANT PEOPLE TO BE WORKING.

I DON'T WANT PEOPLE ON WELFARE.

THAT'S WHY I'M AGAINST SENATOR McGOVERN'S MEAT AXE
DEFENSE CUTS, AND THAT'S WHY I'M AGAINST SENATOR McGOVERN'S

WELFARE GIVE-AWAY SCHEME TO HAND EVERYONE, RONALD REAGAN
AND HOWARD HUGHES INCLUDED -- \$1,000 WELFARE CHECK.

I'M OPPOSED TO THAT SCHEME. I KNOW WHO WILL
END UP PAYING FOR THIS \$1,000 GIVE-AWAY SCHEME -- YOU
WILL -- THE WORKING FAMILIES OF THIS STATE.

THERE WILL BE A NEW TAX INCREASE -- THE
McGOVERN WELFARE TAX.

I WANT JOBS -- NOT WELFARE FOR PEOPLE.

I'M THE ONE CANDIDATE WHO VOTES TO PROTECT
YOUR JOBS.

I DON'T WANT ANY MORE CALIFORNIANS COLLECTING
UNEMPLOYMENT COMPENSATION. I DON'T WANT PLANTS TO CLOSE.

I DON'T WANT COMMUNITIES TO DIE.

AND I REFUSE TO CAST A VOTE OR PROPOSE
PROGRAMS THAT WILL THROW YOU OUT OF WORK.

THERE'S A GREAT DEAL OF TALK TODAY ABOUT
HAVING AEROSPACE COMPANIES STOP BUILDING PLANES AND
ROCKETS AND START BUILDING SUBWAY CARS. I BELIEVE
COMPANIES SHOULD BE THINKING AHEAD TO THE MANUFACTURE
OF ENVIRONMENTAL PROTECTION SYSTEMS, MODERNIZED HOUSING
UNITS AND REDESIGNING OUR CITIES.

SINCE 1968, I'VE BEEN INVOLVED IN A MEANINGFUL
PRACTICAL PROGRAM OF ECONOMIC CONVERSION.

I'VE WORKED TO FORGE THE KIND OF PROGRAM THAT
ISN'T PIE IN THE SKY.

↳ I WANT A CONVERSION PROGRAM THAT PUTS PEOPLE
TO WORK IMMEDIATELY -- NOT IN ONE OR TWO YEARS.

↳ I THINK WE HAVE A SOLID PLAN NOW WITH THE
COMMUNITY CONVERSION CORPORATION PROPOSALS. AND, I
BELIEVE IT WILL PASS THE SENATE SHORTLY.

↳ I'M PROUD OF MY ASSOCIATION WITH THE WORKING
MEN AND WOMEN OF THE AEROSPACE INDUSTRY.

↳ WE ARE USING OUR TECHNOLOGY TO MOVE AHEAD --
NOT JUST TO RAISE THE STANDARD OF LIVING, BUT TO IMPROVE
THE QUALITY OF LIFE FOR ALL AMERICANS.

THAT'S WHAT SPACE SHUTTLE MEANS TO ME.

THAT'S WHY I VOTED FOR YOUR JOBS.
