## MURIEL HUMPHREY PAPERS

### An Inventory of Her Personal and Family Papers

Access to or use of a portion of this collection is currently restricted.

For details, see Administrative Information.

#### OVERVIEW

- Creator:** Brown, Muriel Buck Humphrey, 1912-.
- Title:** Personal and family papers.
- Date:** 1924, 1950-1982.
- Abstract:** Papers dealing primarily with Muriel Humphrey's personal and public activities as the wife of Hubert Humphrey during his years as U. S. Vice President (1965-1968) and Senator from Minnesota (1971-1978), particularly her work in relation to the rights of those with mental retardation.
- Quantity:** 87 boxes.
- Location:** See Detailed Description section for box locations.

#### SCOPE AND CONTENTS

Correspondence, memoranda, speeches, printed and mimeographed materials, and related papers. The majority of the papers are organized by year, and within each year into two segments: general subject files, and subject files dealing with mental retardation, Mrs. Humphrey's special interest. Control correspondence files (carbon copies of outgoing letters, organized alphabetically by recipient) are also included with the files for most years. Included in the general subject files is her correspondence with and about family members and friends.

Also present are campaign files for 1964 and 1972; her speeches for 1965-1976; printed materials of various kinds relating to mental retardation; and assorted plaques, awards, certificates, and family memorabilia.

## ORGANIZATION

These records are organized into the following sections:

Annual sets of subject files and mental retardation files, 1964-1976.  
Mental retardation research files, 1960s-1970s.  
Speeches, 1965-1976.  
Memorabilia and miscellany.  
Scrapbooks, 1950-1970.  
Unprocessed papers, 1968-1982 (bulk 1978-1982).

## ADMINISTRATIVE INFORMATION

### Restrictions:

Access to papers in 148.B.15.11B - 148.B.19.3B and the unprocessed papers that are less than 80 years old requires written permission. Quotation or publication, beyond the fair use provisions of the copyright law, from papers less than 80 years old requires written permission. News releases, newspaper clippings, photographs, commonly available publications, and like materials of a public nature are excluded from these restrictions, as per contract, June 23, 1991.

### Processing Information:

Note to Researcher: The processed files are basically in good internal order, but were boxed and listed in groups as they were received from the Humphrey offices; as a result, some segments are not in logical sequence.

Catalog ID number: 1734311
