

Angus, R. B.

April 2, 1881

Angus to Hill

"You have been informed through Mr. Kennedy that we had entered into arrangements for the sale of 200,000 to 300,000 acres of the St. Paul, Minneapolis and Manitoba Railway lands to an influential company being formed here for the purpose of promoting emigration to Minnesota... I leave]London?] for Scotland as soon as the Land Company takes shape.... McIntyre is entirely satisfied with the arrangements that have been come to."
