

Brodie, James

August 24, 1884

JJH to Brodie, JJH Letterbook 5/30--10/18/84, p. 444.

Is angered to find chimney at North Oaks on fire and that cause of fire was a violation of his orders to Brodie concerning instructions to carpenter when house was being built. Fears "that the same may occur at the depot in Minneapolis." Wants no repeat of such work & orders Brodie to find that carpenter and fire him immediately.
