July 8, 1889

Cadwalader to JJH, General Correspondence

Cadwalader is member of firm of Strong & Cadwalader, 36 Wall St., New York. "On my return from Restigouche [sic], I find your letter of the 5th of July. I am very glad the Salmon arrived in good condition. I sent you a couple last year, and I am not sure I ever asked whether or not their condition was good. The fishing was not very good this year. The water was too warm."
