

Canada - Railroads

May 2, 1888

Hill to W. L. Scott

"The Soo matter does not affect us locally. Any action that will place Canadian railways built with government bonuses in a better position on American soil than is accorded to American roads built with the private capital of American citizens is to my mind unpatriotic and unworthy of public or private approval."

JJH LetterBook, 4/12/88 - 2/7/89, p. 35
