

Canadian Pacific <sup>Road</sup>~~Railway~~ Co. March 3, 1898

To Hon. S. B. Elkins

Re Canadian Pacific and Knute Nelson's surprising remarks. His rate figures are all wrong. Gives details of rates: 8-10 ¢ per bushel are our present rates as against the C.P.'s of 10.2¢ or higher. Wheat trade of Manitoba and the transportation of two thirds of it in American vessels to Buffalo.
