

Cannon, H. W.

[January, 1898][?].

H.W.Cannon to James J. Hill.

Believes "the Navigation Co" [Oregon Railway & Navigation Company] "ought to protect itself by a rate cut - not a little one." Also feels "that the N.P." [Northern Pacific Railroad] "must keep its place and proper place & attitude." Wishes Hill to know how the Wall St. people look at this situation.
