

Cannon, H. W.

Sept. 28, 1899

H. W. Cannon to James J. Hill.

Has had a pleasant interview with Earling about the St. Paul & Duluth Ry. property. Has also seen Lamont, who stated that Morgan has declined the interest offered him in the Syndicate. Cannon and Lamont plan to call on Morgan.

Has also seen Day, who is progressing nicely in getting signatures and powers of attorneys. Thinks it would be unwise to attempt to dispose of any of the Oregon Railroad & Navigation Co. stock until after Hill's visit to New York.
