

Cannon, H. W.

October 21, 1887

Hill to Cannon

Re recent "financial frost" in Wall Street. Hearty thanks for what Cannon did for Hill. Boston investors are interested in our stock for investment accounts and will probably buy quietly. Only about 22,000 shares of our stock on Wall Street, and after that the "bears" will have "nothing to sell."

JJH LetterBook, 10/22/86 - 9/21/95, p. 189
