

1883, April 30.

Kennedy to Hill.

"Have you notified Mr Angus that you do not wish to be re-elected on the Canadian Pacific Board? If not I would advise you to do it. I am going to see whether they will not let me off also especially as I am going off to Europe for 4 months. I should like very much to be relieved but fear they will insist on my waiting as for the present especially as my firm acts

as Fiscal Agents here."
