

Clough, Colonel (W.P.)

February 15, 1902

Carbon. [Hill] to F.Q.Hanlon.

"I have known Colonel Clough intimately for twenty five years, during which time he has resided in St. Paul. For fifteen years he has been officially connected with the Great Northern, most of the time as Vice President. He is a lawyer of unusual ability and a gentleman of the highest character in every way."
