

Clough, D. M.

Nov. 16, ¹⁸⁸⁸~~1887~~

JJh to Clough

Re Kettle River sandstone possibilities for the new Minneapolis courthouse. In making the Stone Arch Bridge, used Mankato stone, but had to take over the quarry to insure use of only the small part of that stone fit for bridge use & then had to go to Anamosa, Iowa, for stone.

JJH Letter Book, 11/22/86 - 9/21/95
