

Clough, W. P.

1903

In 1903 many letters from Clough describe in detail the stock, money, and bond markets, which were in a slump; he diagnoses the causes and sometimes predicts results, especially for Northern Securities Company and the three railroads that he represented: Northern Pacific, Great Northern, and Burlington.

General Correspondence by Date

Clough, W.P.

1903

There are a good many letters from W.P.Clough to J.J.Hill in General correspondence in May, June and July, 1903.

These letters refer mainly to Northern Securities Company matters.

General correspondence by date.
