

Conrad, Charles E.

September 13, 1890

Hill to Conrad, Benton, Montana

Re banking matters at Great Falls and the Flat-head speculators. "The party who has gone in there to secure land will get no aid or encouragement from the Company and without it they can do nothing. You may be able to buy them out at fair price. Go out; if possible and look up the crossing of the Stillwater and the whole Flathead Valley. We will not locate any station or town until then."

JJH LetterBook, 6/11-/90 - 10/21/90, p. 621
