

Copper ~~mines~~ & mining - Montana

Sept. 13, 1902

See Great Falls, Montana

To Hon. W. A. Clark, Butte

High cost of copper delivered at Great Falls.
Re location near Missoula, Lake Wilder (an artificial lake made by C.A. Broadwater) ideal for tailings. Water power at Rainbow and Crooked Falls "susceptible of great development for less money than anything that I know elsewhere.... "ugly clause" in the Montana constitution.
