

Coster, C. H.

January 20, 1899

C. H. Coster to Jas. J. Hill.

Has talked with Schiff, who stated that it would be desirable for the Union Pacific Road to buy the preferred stock of the O. R. & N. Company held by the Great Northern and Northern Pacific Roads. Does not know how much Hill has told Schiff about the proposed acquisition of the O. R. & N. by the Union Pacific, Northern Pacific and Great Northern Roads.
