

Creel, H. M.

There are several letters to Hill from Creel in the General Correspondence file of 1898. Creel, of Ramsey County, North Dakota was running for congressman in 1898, and wrote letters of a political nature to Hill. See especially the letter of August 14, 1898, in which Creel mentions that the Indians at Fort Totten have held a council and decided to vote for him.
