

Gibson, Paris

May 3, 1883

"M^r Villard & M^r Oakes are expected here in a few days & I will see them in regard to the Benton line & hope to arrange the matter with them satisfactorily." Hopes to get out to Montana after the 15th but must be back on 24^t at the latest. Write me how long it will take from end of track, including the necessary time to the [Great] Falls to look over the ground.

JJH LetterBook, 3/15/83 - 7/31/83, p. 104
