

Great Falls, Montana

Sept. 13, 1902

Hill to Hon. W. A. Clark, Butte

High cost of copper delivered at Great Falls.

Re location near Missoula, "Lake Wilder," (artificial lake made by Broadwater) would be ideal for tailings. Water power at Rainbow and Crooked Falls "susceptible of great development for less money than anything that I know elsewhere. Ugly clause in the Montana constitution.

JJH N.Y. LetterBook, 10/16/01 0 11/18/02, p.446
