

"The Globe" of St. Paul Sept. 1, 1903

Carbon. [W.C.Toomey] to J.D.Farrell.

"Some time ago Mr. Hill was very anxious for me to appoint Carle [of the Minneapolis Tribune] editor of the St. Paul Globe, but after having two interviews with him I came to the conclusion that he was a too much 'dyed in the wool' republican to do good work for a democratic paper."
