

Kennedy, John S.

April 23, 1901

Kennedy to Hill

Has been in Constantinople. Consequently has not heard about C.B.& Q. negotiations. Has just seen a London paper of the 19th saying "that the trade has been concluded on an 8% basis and that \$220,000,000 of Bonds will be issued by the Great Northern. Expects to sail from Liverpool on June 1 and be home the 8th.
