

Manitoba Road - Bear raids

May 12, 1884

J.S. Kennedy to Hill

Bears made a savage attack today on our stock--dropped to 83%, then went back to 86%. They got up a story that Kittson, who was a large stockholder, was involved in Sabin's matters, but I soon set that right by telling a few friends at the Board that he had not held a share the past three years.
