

A. Guthrie to Helion.

Evidently Foley Bros. & Guthrie bought the Mille Lacs Lumber Company at this time. There is a possibility that three other lumber companies were involved in this transaction (Foley Bros., Foley, Bean Lumber Co. and A. Guthrie Co.)

See also letter from F.E.Draper to M.Helion which states: "on account of the Mille Lacs Lumber Co. property being turned over to Foley Bros. & Guthrie..." (Draper to Helion, January 29, 1895).
