

Hill, Jas. J.-Personality March 14, 1904

H.D.Mathews to James J. Hill.

Mathews, an old employee of Hill's mentions enclosing a clipping [not enclosed] from the San Jose [Calif.] "Mercury" of March 14, 1904. States, "the Editor in Chief sent one of his men to interview me in regard to you... There seems to be an impression among the R.R. men of this coast that you were a hard man to work for and my object in this history was to prove that you were not."
