Hill to Angus

Re special Pioneer Press correspondent at Ottawa and Wheelock, the St. Paul editor of the Press, who "will be very judicious in what he says editorially. Encloses 2 letters from Walter Moberly re the pass in the mountains at House [sic] Pass or Kicking Horse Pass & Rodger "We are getting 5 to 7 cars of coal daily from Climax as much from What Cheer." I ran down to Climax. Describes that mine."The Omaha road tried corn in the ear as fuel but are now getting 5000 Tons Fort Scott Kansas coal delivered at Sioux City at \$6.00 per ton and would be glad to take as much more Climax at same price

here." "I made some inquiry of Phil Armour & Mr. Wheeler about Mr. Manvel of whom you will remember Wheeler said he would recommend as arbitrator & I find he is considered one of the most capable men in Chicago." More about Manvel "If we could get him, I am sure he would be a great help in every way." I must get Mrs. Hill South for the rest of the winter if she is to be permanently cured.
