

Portland & Puget Sound Road      Feb. 9, 1901

Hill to Robert Bacon      carbon

Re Portland & puget Sound Road. "We have owned from the beginning a one-half interest in the Portland & Puget Sound Ry. costing us over a million dollars, which interest we must protect either by joint use of the Northern Pacific line which we prefer, or by completion of the Portland and Puget Sound. Until this is permanently secured with the Northern Pacific, we cannot consent ... to relinquish the Portland and Puget Sound."
