

Railroads - Construction

Oct. 11, 1878

Hill to J. S. Kennedy & Co.

Re assent for debentures. We are laying a mile or more a day on the Sauk Valley line and have about 18 miles to lay. We are laying 1½ mile strong on the Red River line but have had trouble for about five miles with water on the prairie.

JJH Letter Book, 4/11/78 - 1/16/79, p. 423
