

Red River Rolling<sup>er</sup>~~ing~~ Mills

January 12, 1885

Hill to John S. Kennedy

Judge Clark has met James Tod and me re Fergus Falls mill &c. and advises you and me to secure Angus' and Kittson's stock and then to dispose of property. James is honest and tries hard but is no match for the more experienced millers at Fergus Falls. We can probably rent mill and hire James on a salary basis to run it.
