

Rice, Henry M. -Bust [January 24, 1901]

Margaret Rice Thompson to James J. Hill.

Asks Hill to loan her the bust of her father, [sculpted by U.S.J. Hill] which Hill owns. Also mentions that there is a fine bust of her father in Rome, done by a sculptress. [Could she refer to the well known Chippewa-negress sculptress, who was in Rome at this time?]
