Robertson, Lieut. S. A.

August 12, 1887

Hill to Lieutenant Robertson, U.S. Cavalry, Fort  
Assiniboine, Montana

I feared your commanding officer was opposed  
to granting you leave. A friend of mine found  
him kind but unwilling to approve my request.  
"I should have been glad if you could have  
made the examination [for iron in Montana]."
