

Rodgers, M. K.

March 23, 1906

Hill to J. P. Morgan and Co. 2 letters of  
same date

Introducing Rodgers, a mining engineer, very successful in work for Marcus Daly, especially the great Nickel Plate gold mine in British Columbia. He is now leaving for Alaska to explore copper district.

JJH LetterBook, 6/7/05 - 3/11/08, p. 152, 153
