Rollins to JJH, General Correspondence

"Is it possible for me to obtain 100 Horse-power for a term of years to be utilized in the old Farnham & Lovejoy saw-mill;

"I can get the old mill upon very liberal terms if taken immediately

"You will remember me in connection with Mr. C.N. Warner as having bought the Old Croswell Flour-Mill; and afterward selling it to C.A. Pillsbury & Co.

"The power would be used to run a Paper-Mill...."
