

Sauk Center & Southern Road Jan. 25, 1883

Arctander & Qvale to J.J.Hill.

"As I have been told, that you intended to buy a controlling interest in the Sauk Center Southern Railway Company, to prevent the building of a cross R.R. from Sauk Center to Willmar & South I thought it might interest you to know that the vote in this county on bonds of \$65,000 to that Company stands in such a way, that the proposition is lost."
