

Smith, Donald A.

August 13, 1901

Hill to Smith (Lord Strathcona)

Re Great Northern affairs and the new holding company [Northern Securities]. Thanks for "support last spring in holding your Northern Pacific common stock when the Union Pacific interests under the lead of Kuhn Loeb and Co made their raid to try and buy it. Your shares in their hands would have gone very close to giving them control."

JJH LetterBook, 3/13/99 - 5/30/02, p. 348½
