Stephen to J.S. Kennedy

Have had no answer from Villard, will you see him and ascertain his views? Newspapers say Northern Pacific has control of Manitoba South-western road. Tell him location has to be submitted for approval to governor general in council.

Letterbook, "Can. Pac. Ry.," 1881-82, p. 64

Stephen to A. B. Stickney

Introducing Mr. Servoss of the Daily Graphic of New York, who visits Winnipeg to prepare "several illustrations of the characteristic features of the city and surrounding country" making special mention of Canadian Pacific road, its origin, progress of its construction, attractions of its lands for intending immigrants and system of railway communication which the Company proposes to establish.

LetterBook, "Can. Pac. Ry. 1881-82," p. 65
