

Stephen, George

October 30, 1880

R. B. Angus to Stephen

As advised by telegram this morning, I enclose power of attorney from Hill authorizing you to sign the Canadian Pacific Railway contract in his behalf. Our adjourned meeting came in well for authorizing the purchase of the St. Cloud & Lake Traverse and the Barnsville and Moorhead Railways. Sir Charles Tupper and Mr. Schreiber arrived this morning and at their request Hill and I accompany them to Winnipeg, probably for several days.
