

Stephen, George

November 21, 1882

Hill to George Stephen

Re danger of Granger movement to Manitoba Road in Dakota and Minnesota."I think we can handle the Dakota matter if it does not become too demoralized, by the present railway war between Porter Cable and Merrill, but the Minnesota matter will not be so easy as the low price of wheat has made the farmers sulky, and several members of the legislature are elected on purel; Granger promises."

St.P.M.& M.Ry.LetterBook 6:3/24/82-4/23/83)
