

1901, June 6

Stephen to E. T. Nichols

Have secured from Lord Roberts the letter of introduction that Hill wishes. See also letter from Clark to Nichols thanking him for sending the letter of introduction.

General Correspondence by Date

Cable, Estevan to Hill (in code + decoded)

Urges prompt action. Have just seen Morgan. He would be much more confident if certificates for actual majority of nor. Pac. were "deposited". Want prompt unification of 2 roads. Delay might lead to serious consequences. Enemy is prompt + powerful + would enjoy upsetting your appeal.
