Teleg. in code, Estevan to Hill (decoded)

Regrets n.p. control was not secured last winter, when it would have been so easy.

1901, Aug 16.

Teleg. in code, Hill to Estevan (also draft)

asks nothing for self but protection
of property in my care, for which I
have taken whole fifty thousand
& now ask you, Famer, Ellis, Barung
and Sennichvil [?] to assist by
taking twenty or twenty-five,
