R. B. Angus to Hill

Re enclosed letter from ~~John~~ Sterling
to Angus re Sahlgard case. I suppose
you had better remember or through,
me charging i.g. Stephen & Associates
account with that and the expenses
incurred at St Paul. Mr. Kennedy, M^r
Stephen and I discussed the question of
the trustees compensation for last
year. We received the first instalment
of \$1,000,000 of the purchase money for the
C.P.R. Bonds today - in connection with the
North-west Land Company we must now

hurry up with our deliveries of land to stop
interest on the Bonds. Stephen is enjoying
a few days at Casa Pascal."
