

Thorne, Samuel

January 19, 1883

Hill to Thorne

Thanks for the books, which will be prized "as coming from one who has done so much to advance the interests of cattle breeders all over the world." "My little herds are doing quite well." Wishes for more time to spend with them. If I had known you wanted to become interested in Canadian Pacific, I would gladly have sold you what you wanted of the stock."

JJH LetterBook, 7/1/82 - 3/15/83, p. 392
