

Vermilion Range, Minn.

March 14, 1883

S. P. Ely to George C. Stone, Philadelphia
Leaves Philadelphia before seeing Hill but
Stone may tell him of Ely's purchase of Breit-
ing's 10,000 shares of Minnesota Iron Company
and would buy 5 or 10,000 more if offered him.
Gives very favorable account of the mines and
the railroad. Hopes Hill will be brought into
the Minnesota Iron Company.
