Walker to JJH, General Correspondence

Walker, Accountant for Grand Truck Rwy of Canada, writes re J.J.Toomey: "I cannot allow Mr. Toomey, who has been with me for 13 years, to take merely a printed testimonial, without saying to you personally, how much I have valued his services. He has never in the 13 years, given me any anxiety as to his work. Always awake, accurate, and interested in what was before him. He is an unusually worthy young man." Includes printed reference also.
