

Wayzata - Depot

August 31, 1880

Hill to C. A. Zimmerman, St. Paul

I am not able to say whether we will move the depot at Wayzata, but am inclined to think we will. Should it be moved, we will have it done this fall and winter, so that you will have plenty of time to prepare your dock before another season. If we remain where we are, I will be glad to afford whatever room we can on the lake front. We thank you for your offer of the "Nautilus". We want to visit the lake soon and will accept the offer.
