April 2, 1890

Hill to A. L. Mohler

Weyerhaeuser Lumber Co. have bought all the N.P. pine on the Upper Mississippi and hold more pine than any other company. Wm. Sauntry of Stillwater acts for them, and I understand they are about building a large mill to cut their logs. Nor.Pac. are trying to locate them at Brainerd. I think a location at St. Cloud or Sauk Rapids ----- Someone should see Mr. Sauntry for the purpose."
