

Wheat trade

September 26, 1887

Hill to the manager, Bank of Montreal, Chicago  
The Northwestern Elevator Co., whose principal  
owners are D.M. Robbins, A. B. Robbins, and T.B.  
Walker, wants to make arrangements for money  
for hauling a large amount of wheat on our road  
I recommend them highly. They do not speculate  
merely buy and sell wheat, making their carry-  
ing charges.
